## A+A Assurance Services Ltd Company Profile

### Who we are

A+A Assurance Services Ltd specialises in audit and assurance services with a focused approach, maintaining continuous communication with the client throughout the audit process. Through our partner companies, we also offer other services such as accounting and company formation services. Our assurance team is made up of qualified and warranted accountants and auditors together with professional administrators carrying different background experiences. Our proficient team is here to provide you with incomparable services and to help you undertake a smarter business.

Our fitting setup allows forceful human resources, tools and methodologies to be able to deliver a high standard service. Our aim is to exceed our customer's expectations. We are able to do so by addressing the services provided as a benefit for our clients rather than just a job assigned to us.

Year after year, we have been entrusted with financial statements from clients stemming from diverse backgrounds and industries. Our tailor-made auditing services will contribute in building assurance through consistency and transparency, regardless of the size of your business.

### Our services
