

ANONYMOUS PREPAID CARDS

Fairwinds Management is offering **offshore ANONYMOUS / NONAME PREPAID CARDS** from the UAE.

An Anonymous Prepaid Card is a type of an offshore debit card that is anonymous, i.e. it does not bear any personal details about its holder. Also known as an Anonymous Debit Card, it is connected to an offshore bank account and works the same way as a regular debit card. When it comes to anonymous debit cards, 'anonymous' simply means:

- The debit card is issued with no name imprinted on it
- The card holder's name does not appear on the magnetic strip
- All ATM transactions worldwide are fully anonymous.
